- **December 31, 2024:** Final date to apply to become a Commemorative Partner.
- **March 15, 2025:** Final date to submit an Event Request (DD2956) for future event support through the end of March.
- **March 31, 2025:** Final date VWC is able to provide full support of your events (website, booth/materials, and speaker).

Finally, as of **April 1**, formal event support to Commemorative Partners will cease. The only events we will be supporting are internally-planned Commemoration close-out events.

Thank you for your steadfast commitment and engagement to this noble mission. We encourage you to carry on the torch and do everything you can to reach future generations. Stay tuned, as we will continue to provide updates via our SITREPs into early 2025. Remember, whenever you see a Vietnam veteran: thank them for their service, welcome them home, and thank their families for their sacrifice.

Above all, **thank you** for your support ... we could not do this without you!
